

ST.HELIER

JERSEY

The historic Best Western Royal Hotel has a great depth of character, warmth and charm. It is ideally located only a short walk from the quality pedestrian shopping areas of St Helier and the attractive Millennium Town Park. A long-established hotel, dating from the 1840's, the Royal occupies a substantial town site offering a great mix of facilities where you can really feel a part of Island life.

Equally suited to the leisure or business traveller, our 89 bedroom hotel is a great place to stay and you may choose to upgrade to a Suite, Executive, or a Balcony bedroom. All bedrooms and public areas offer free broadband Wi-Fi and a secure on-site car park offers

16 spaces, unusual for a town centre hotel.

We are proud of our AA Rosette restaurant 'Seasons' which offers both table d'hôte and a la carte menus and specialises in using fresh local produce. Equally, the main bar, Bar 27, offers appealing bar meals and light snacks all day and is a welcoming place for guests to meet and relax.

The prestigious Royal also provides excellent air-conditioned function facilities for both business events or special occasions including the Balmoral Suite that is one of the largest dedicated function rooms in the Island hosting up to 300 attendees.

- Freeview television and radio, coffee/tea making facilities, telephone and hair dryers in all bedrooms
- Free broadband Wi-Fi throughout
- Lift to most bedrooms
- Minutes from the town centre
- Car park

We look forward to welcoming you to the Royal, an ideal central base for your Jersey visit.
